About the Chester County Hero Fund

If you're attending the Tailgate Party, we encourage you to help us support the Chester County Hero Fund by participating in our raffle. All raffle proceeds will directly benefit this important organization whose mission is to help first responders and their families in times of need:

The Chester County Hero Fund provides necessary financial assistance to the widows, children, and families who are left with little or no support when a police officer, deputy sheriff, firefighter, emergency medical technician, paramedic, or state trooper loses their life or is seriously injured in the line of duty.
