To Fink, Matt <jfink@chesco.org>; Harris, Tuesday D. <tdharris@chesco.org>

Good afternoon,

Here is an updated link to use when planning your 2026 in service drill maintenance using the Class A Burn Building, Drill Tower or Sappers Tavern at Chester County Public Safety Training Campus.

Only weeknights are posted. Available weekends will be shared once our training and certification schedules are finalized.

I will be in touch once I receive your request to finalize the paperwork.

The fire props and smoke machines in the drill tower are back in service.

If you're interested in any other area or prop please email or call me at 484-883-2779.

As a reminder the campus needs to have on file current Certificate of Insurances and Memorandum of Understandings prior to your event. Tuesday will be contacting you if your documents have expired.

Sincerely

Matt Fink
