Montgomery County Heroes Festival

Chiefs:

Please see the attached information regarding the 5th Annual Montco Heroes Fest to be held just over the river in Lower Providence on Saturday, May 16th, 2026.

If you are not aware, Montgomery County's Hero Fund has continued to be a great partner for our Chester County first responders; including recent financial support of \$25,000 towards Corporal O'Connor's family, and assistance to one of our County's Paramedics currently battling cancer.

Please consider supporting their event -- it is a great time. Tickets are only \$40 and include food, legal beverages, and the day-long concert.

For the culinary experts, there is also a BBQ competition -- please see attached for more info.
